WELCOME MESSAGE

Dear Esteemed Colleagues,

It is with great pride and pleasure that we welcome you to the 44th Annual Summer Meeting of the Egyptian Society of Surgeons, taking place in the historic and vibrant city of Alexandria, Egypt this October. This year, we gather under the theme: “The Art of Surgical Judgment - Evidence and Guidance”.

A theme that reflects the true essence of modern surgical practice—where clinical judgment stands at the heart of every decision, shaped by experience, grounded in evidence, and guided by best practice.

For over four decades, this annual meeting has served as a cornerstone for surgical excellence, bringing together distinguished surgeons, experts, and emerging talents from across Egypt and the region. This year’s program is thoughtfully designed to move beyond traditional formats, focusing on real-world experience, interactive discussions, and practical insights that directly impact daily surgical practice.

Through dynamic sessions, multidisciplinary collaboration, and open dialogue, we aim to create a platform that not only shares knowledge but also sharpens decision-making and elevates surgical practice.

We also invite you to enjoy the unique charm of Alexandria—a city where history meets the Mediterranean, offering an inspiring setting for both learning and connection.

We extend our sincere gratitude to all speakers, partners, and participants whose continued support plays a vital role in advancing the mission of our Society.

We look forward to welcoming you to an engaging, impactful, and memorable meeting.
